Mmmm, this is nice.
I think maybe we're finally a little more comfortable together.
Soon, very soon.
©EWS
Yeah, I'd say so.
I wouldn't exactly say we're ready to recreate things we've done online, however.
:heh: No, I suppose maybe we're not ready for that.
Maybe not.
Maybeee...
sSOOOOO...
Are you a virgin?
PTEWFT!

;COUGH; Sorry.
I startled you, didn't I?
Just a little surprised by the question.
Sorry, I was just kinda curious, I guess,
I mean, It's not like I haven't been out with women on dates before.
-and I was just thinking, y'know-
-and some of our online chats have gotten pretty..
SN30
-because I'm a virgin, and-
I suppose if you want to be TECHNICAL about it, the answer's yes, but still-

So — you've never-
um— no. I can't deny being a little curious about what it's like though
I work in an environment where sex is so prevalent, I can't help but wonder.
You?
Oh sure, how could I not think about it?
If I did give myself to someone, it would have to be someone I knew and trusted - like you.
I'm flattered. Have you considered the possibility of the two of us - you know.
Cancelling each other out?
Your words.

You would be willing to - uhh - to - 'do it'?
— yes, perhaps, if we both agreed to it together.
What do you think?
Well, I have no objections,
but I don't want you to do anything that you'd rather not.
It's OK, I won't to, I mean, I do if you do.
do you?
I believe I do, that is - if you do.
do you?
If you do.
I won't force you.
You're not.
Are you sure?
Are you?
you?

Do you think we're taking this too fast? This is technically our first date, after all.
Maybe. With all the time we've spent together online, it doesn't really seem like it, yknow?
I don't want you to think I'm - easy.
There's no way I would think that.
Do you want to stop?
...
No.
WAIT!!
©EWS
What?
Do you have - protection? I don't wanna risk -
No problem, No problem. I think I've got a condom in my wallet. A friend gave me one at a party. - sort of a joke.
And that'll work?
It should be OK. It's only been in there for a couple years.

"How about a road map and a GPS?"

Well, I think we're as ready as we're ever gonna be.
Now what?
Well, I was always told that once your in this situation, your animal instinct takes over, and then you know exactly what to do.
Oh.
It's not, is it?
I don't think so.

It's OK, I understand. You don't find me sexually attractive.
What!?
©EWS
I don't blame you. I'm plain-looking, I don't have a good figure, my butt sticks out like-
Whoa, WHOA!! hold it right there!
Sabrina, as far as I'm concerned, you're the most beautiful woman I've ever met.
You mean it?
I do. And for the record, I think your rear end is perfect the way it is.
Thank you.
Now, if it's repulsively unattractive you want — right here!

I guess it just wasn't meant to be this time. Thank you for the effort though.
PECK
©EWS
It's better that we wait, anyway. We can take our time and get to know each other better.
- and when we're REALLY ready, we can-
we can..
uhh.
Sabrina?
uhh, are your instincts kicking in?
SABRINA!?

The time has come for us to reveal our selves to the mistress.
Why do we wanna do that?
Need I remind you that she was the one who rescued us from the Wal-Mart?
She freed us from our blister-card bondage, cares for us, keeps us from getting dusty-
OK, all right! you've made your point.
So, what will we be doing for the mistress?
That depends on what she wants.
-GIGGLE!-
Whoa!
What's happening?
I think maybe it's some kind of network interface.
Must not be very efficient if they have to be that close together to share data.

Almost certainly.
I don't mind though.
You'd better go. You don't want to be too late for work.
I already am. Don't worry about it.
I'll see ya.
Online.
Ummm..
What?
Not to sound too insecure or anything but - how was it? Did you enjoy it?
huh?
oh, SURE!
I mean, it was a little awkward, but it was wonderful, better than ANYTHING!
Yeah, for me too.

At the risk of sounding professional, I think you do a great job around here.
You being cute as hell is just a perk.
Really?
Oh yeah! The studio's sales have soared since the website went up, and our top selling videos are the ones where you designed the covers.
even counting the crappy, low-budget ones.
-And I'm supposed to be happy about that?
Take your pride where you can get it, honey.
In any case, I'm really happy to have you around.
Peachy.
Of course I'd be happier if we were more than just friends, but..
Who said we were friends?

Y'know Sab, I enjoy talking with you. It's- - different.
How do you mean?
Most people I talk to play up to me in one way or another, either for business reasons, to get work at the studio, or to get into my panties.
-not that that's really a bad thing to me.
With you, you're not trying to impress me anymore, and we can talk like friends.
for better or worse. usually worse for me.
Either way, there's something really special about you.
Because I don't have a reason to suck up to you?
Well, it's special to me.
©EWS

BLOOP!
What's that?
It's a message from - RC.
Using the work equipment to chat with your boyfriend, hmm?
uh - yeah.
That's cool. It's good to know you have a life out side of here.
Can I talk to him?
No!
Hey, I'm having a party this weekend. Bring him! I wanna meet the guy that caught your eye.
I'm not coming to any party you'd throw.
Girl, you're so suspicious!
Around you?
Point taken.

C'mon, bring your guy to my party!
It would mean a lot to me.
You know I wouldn't like some wild party full of porn actors!
You shouldn't worry. This is a semi-formal affair for friends and business contacts.
No nudity,
no groping,
no drunken orgies of lust,
Unless that's what you want.
You promise?
Scout's honor.
Well, I'll ask him, but...

What's Timmy doing?
He's hunting, stalking his prey.
It's very interesting, getting a window like this back to pre-history, when we all acted purely on our animal instincts.
©EWS
So what IS his prey?
I dunno. A bug on the floor, I think.
What?
GROWF!
He's hunting COCKROACHES!?
YIKE!
You'd rather have them roaming the house?
GET THAT OUT OF YOUR MOUTH!

I'm sorry, I didn't know you didn't really want to go.
No, it's just that I'm still a little worried about being around Zig, given my past experiences.
I'm sure you can still get out of it...
That's OK, I can handle it. Just dont let her corner me.
Only if you'll do the same for me.
You worried she might seduce you? :)
I'm more worried I might let her.
You should be more worried about what I'd do to you then.

She's not that bad really. She just believes I should loosen up, and thinks it's fun to tease me.
Still, it's pretty obvious she likes you, or she wouldn't pay as much attention to you as she does.
Why doesn't that make me feel better?
You were a ton of help, by the way.
